Dear Sir / Madam,

Subject: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

This update follows our disclosure dated March 16, 2026, regarding the ongoing geopolitical conflict in the Middle East, which had caused significant disruptions across logistics networks and the global supply chains for crude oil and petrochemicals.

While the overall Ammonia supply situation continues to remain uncertain and dynamic, it has improved enough to enable us to restart in a gradual manner the production of Ammonia based products.

This is for your information and record.

Thanking you,

For Alkyl Amines Chemicals Limited
